

## **Instant Scoring Now Available for the Certified Genetic Counselor (CGC)<sup>®</sup> Certification Examination**

With each examination window, candidates will receive their score reports before they leave the AMP Assessment Center. This new process gives the candidate instant results regarding pass/fail status. You can find more information on the ABGC Exam and the exam scoring process on the ABGC website at [www.abgc.net](http://www.abgc.net) under [Exam](#) and [FAQs](#).

The CGC<sup>®</sup> electronic listing and online directory available on the ABGC website will not be updated until after the close of each examination window. Please visit our website for more specific information on when this information will be available in the directory.
